

Bid more work. Miss less scope.

Electrical and low-voltage bid support without another full-time office hire.

PAID PILOT

\$1,500

ONE DEFINED STANDARD ESTIMATE

Takeoff + labor hours + BOM + scope/exclusions + marked plans + QA + one revision

PROJECT-BASED SERVICES

Quick Takeoff

\$500-\$1,000

Counts, marked plans, assumptions and quantity summary.

Standard Estimate

\$1,250-\$2,500

Takeoff, labor, material/BOM, scope boundaries and estimate QA.

Full Bid Package

\$2,500-\$5,000

Bid-ready package, clarifications, addenda review and proposal support.

Major / Complex Bid

\$5,000-\$10,000+

Healthcare, multi-system, multi-phase or high-sheet-count pursuits.

MONTHLY CAPACITY

Bid Desk

\$3,000/mo

Up to two standard bid packages or equivalent scoped capacity.

Precon Desk

\$5,000/mo

Up to four standard packages, priority queue and limited admin.

Full Precon

\$7,500+/mo

Expanded capacity, weekly pipeline review and priority scheduling.

EVERY PACKAGE CONTROLS FOUR THINGS

01

Quantities

Source-referenced counts and allowances.

02

Labor + Cost

Hours, materials, vendors and basis.

03

Responsibility

Furnish, install, terminate, test, program.

04

Bid Risk

RFIs, exclusions, addenda and decisions.

Ready to test BidConduit on one live bid?

Complete the Project Intake Form and attach current plans, specs, addenda and bid instructions.

[SUBMIT](#) > [REVIEW](#) > [TAKEOFF](#) > [PRICING](#) > [QA](#) > [DELIVERY](#)

Estimating and administrative support only. Final bid approval, licensed design, permitting, contractual commitments and construction remain with the client.
